Native Village of Tyonek- Chuitna Coal Project

Meeting with Headquarters and Request for EPA to Utilize 404c Veto Authority

Native Village of Tyonek representatives met with EPA at Headquarters and with R10 via videoconference April 3. The tribe presented the resolution recognizing EPA's commitment to consultation, their concerns regarding the proposed Chuitna Coal Project and the Corps/NEPA & NHPA processes, and a letter about concerns ending in a request that EPA utilize CWA section 404c authority to veto the project. OW and ARU will begin teeing up policy issues and options for the RA and Headquarters next week.
